We have performed the procedures agreed with you and enumerated below with respect to the attached Quarterly Progress Report (the Report) as of and for the quarter ended March 31, 2025 on the application of proceeds from the follow-on public offering of Series A-1 and Series A-2 Preferred Shares (the Public Offering) of Cebu Landmasters, Inc. (the Company) on April 12, 2024. The procedures were performed solely to enable the Company to comply with the requirement of the Philippine Securities and Exchange Commission (SEC) to submit the Report accompanied by an external auditor's report. Our engagement was undertaken, and our report is issued in accordance with Philippine Standard on Related Services 4400 (Revised), *Agreed-Upon Procedures Engagement*, applicable to agreed-upon procedures engagements.

Agreed-upon Procedures

The procedures we performed are as follows:

1. Obtained and checked the mathematical accuracy of the following:
 - a) The Report;
 - b) Schedule of planned application of proceeds from the Offering;
 - c) Trial balance as of and for the quarter ended March 31, 2025 (the Trial Balance); and,
 - d) Detailed schedule of the utilization of proceeds as of and for the quarter ended March 31, 2025.

2. Compared the schedule of planned application of the proceeds with the Use of Proceeds section of the Prospectus. Inquired with the Company's management of the reason for any difference, if any, and request a copy of the approval by the Board of Directors (BOD) and the SEC, as appropriate, i.e., if it involved reallocation or change in the use of proceeds.
3. Compared the disbursements from the net proceeds shown in the Report with the schedule of planned application of proceeds from the Public Offering and investigated any difference or excess of disbursements over the planned application of proceeds.
4. Performed the following procedures on the schedules obtained:
 - a) Agreed related totals to the Trial Balance; and,
 - b) Assessed reasonableness of the movements in the designated cash in bank ledgers with the list of disbursements in the Report.
5. Traced to and examined supporting documents, including approval documents, of significant disbursements in the detailed schedule of utilization of proceeds and traced the total amount of disbursements per category to the Report.
