This announcement is for information purposes only, and does not constitute an invitation or an offer to acquire, purchase or subscribe for securities. This announcement does not constitute an offer to sell or the solicitation of an offer to buy any securities in the United States or any other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities law of any such jurisdiction. Any materials relating to the Offers do not constitute, and may not be used in connection with, any form of offer or solicitation in any place where such offers or solicitations are not permitted by law. If a jurisdiction requires the Offers to be made by a licensed broker or dealer and the Dealer Managers or any of their respective affiliates is such a licensed broker or dealer in such jurisdiction, the Offers shall be deemed to be made by such Dealer Manager or affiliate (as the case may be) on behalf of the Offeror in such jurisdiction.

San Miguel Global Power Holdings Corp.
(formerly known as SMC Global Power Holdings Corp.)
(Incorporated with limited liability in the Republic of the Philippines)
(the “Offeror”)

The Minimum New Issue Initial Distribution Rate of the New Securities

Reference is made to the announcement of the Offeror dated 27 August 2024 (the “**Announcement**”), in respect of its separate invitations to eligible holders of Existing Securities to (a) the Exchange Offers; and/or (b) the Tender Offers subject to satisfaction (or waiver) of the New Issue Condition and the other conditions described in the Offer Memorandum. Capitalised terms used and not otherwise defined in this announcement have the meanings given to them in the Offer Memorandum and the Announcement.

The Offeror is pleased to announce that the Minimum New Issue Initial Distribution Rate of the New Securities to be issued in connection with the Exchange Offers and the Additional New Securities Issuance is 8.625% per annum.

The Offeror will make a further announcement in respect of the New Issue Initial Rate of Distribution and the New Issue Initial Credit Spread, and the results of the Offers in due course.

The Offers will expire at 4:00 pm (London time) on 4 September 2024 (such time and date, as the same may be extended, the “Expiration Deadline”), unless extended, withdrawn or earlier terminated. The results of the Offers will be announced as soon as reasonably practicable on or after the Pricing Date, which is expected to be on or around 5 September 2024 (the “Results Announcement Date”).

Completion of the Offers remains subject to the fulfillment or waiver of the New Issue Condition and other conditions contained in the Offer Memorandum. No assurance can be given that the Offers will be completed and the Offeror reserves the right to amend, withdraw or terminate the Offers with or without conditions.

The Offeror may, in its sole discretion, extend, re-open, amend, waive any condition of or terminate the Offers at any time (subject to applicable law and as provided in the Offer Memorandum).

Any concurrent Additional New Securities Issuance will be on terms and conditions acceptable to the Offeror at its sole discretion. There is no assurance that such Additional New Securities Issuance will be consummated. Upon issuance, any Additional New Securities will be on the same terms and conditions as, and are fungible with, the Exchanged New Securities issued under the Exchange Offers. The Additional New Securities Issuance is not part of the Offers and is conducted pursuant to a separate offering circular.

The Offers are not being made within, and the Offer Memorandum is not for distribution in, the United States. The Offer Memorandum is not an offer of securities for sale in the United States or any other jurisdiction where it is unlawful to offer such securities, including the New Securities and any guarantees with respect thereto, for sale. Securities may not be offered, sold or delivered in the United States absent registration or an exemption from registration. The New Securities have not been and will not be registered under the Securities Act, and may not be offered or sold within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Accordingly, the New Securities are being offered and sold only outside the United States in offshore transactions in reliance on Regulation S under the Securities Act.

Securityholders are advised to check with any broker, dealer, bank, custodian, trust company or other nominee or other intermediary through which they hold Existing Securities to confirm whether such intermediary requires that it receives instructions for such Securityholder to participate in the Offers before the deadlines specified above. The deadlines set by each Clearing System for the submission of Existing Securities subject to the Offers may be earlier than the deadlines set out above.

For a detailed statement of the terms and conditions of the Offers, Securityholders should refer to the Offer Memorandum.
