### **CPG Expands Premium Residential Portfolio with New Mid-Rise Development at Azure North in Pampanga**

Century Properties Group (CPG) is strengthening its presence outside Metro Manila with the launch of a new mid-rise residential development at Azure North Estate in San Fernando, Pampanga. Building on the success of its initial developments, the second phase of Azure North will feature four (4) mid-rise residential buildings and 49 townvillas, complemented by new amenities designed to elevate the resort-style living experience for residents.

“This development comes at a time when rapid infrastructure growth is transforming Central and North Luzon,” says Marco Antonio, President and CEO of Century Properties Group. “Azure North is strategically located in the heart of these emerging hubs, offering easy access to key destinations and Metro Manila. This project aligns with the evolving needs of the new generation, and we are confident it will contribute significantly to the growth of Pampanga and Central Luzon. We foresee a future where more premium residential projects like this will be built outside NCR.”

The first mid-rise tower, Mykonos, launched in February 2025, is expected to be completed by mid-2027. This 12-story building will offer studio and one-bedroom units and include services such as 24/7 security, concierge, and a fire safety system, ensuring convenience and safety for residents.

CPG is investing Php 1.2 billion in capital expenditures for Mykonos and Php 215 million for the Azure North Waterpark. The total sales projections for Mykonos is at Php 2.7 billion. The Waterpark will feature thrilling water slides, while the Playpark will include a basketball court, a children’s playground, a pet park, and expansive green spaces—designed to foster community engagement and family-oriented living.

“Launching Mykonos Tower is a testament to our commitment to bringing premium residential developments to strategic regions outside NCR,” Antonio adds. “With the continued growth of the Philippine economy and the expansion of infrastructure, Azure North is positioned as an attractive destination for both homebuyers and investors seeking convenience and lifestyle amenities.”

The 7.8-hectare Azure North Estate is conveniently located just minutes from the NLEX San Fernando exit and is only a 90-minute drive from Metro Manila via Skyway 3. The development offers easy access to schools, hospitals, shopping centers, and business districts, positioning it as a premier residential and investment hub in Central Luzon.
