NLEX inks deal with CRBC for new NLEX - C5 Northlink Segment

NLEX Corporation inked a deal with China Road and Bridge Corporation (CRBC) to construct the NLEX—C5 Northlink Segment 8.2 Section 1A Project. The overall project cost of this elevated road from Mindanao Ave. to Quirino Highway is P2.2 billion.

Signing the contract were (from left to right) Metro Pacific Tollways Corporation (MPTC) Head for Supply Chain Management Group Ignacio Dela Cruz, NLEX Corp. Officer-in-Charge and Chief Finance Officer Maria Theresa Wells, MPTC President and COO Arrey

Perez, China Road and Bridge Corporation (CRBC) General Manager Ren Xiaopeng, and CRBC Deputy General Manager and OIC for Marketing/Investment/HR Zhang Lei.

The project aims to extend the NLEX Mindanao toll plaza to Quirino Highway in Novaliches through an all-weather elevated expressway crossing the Tullahan River in Quezon City. Once completed, this will address the daily traffic gridlock in the congested portions of Mindanao Avenue and Quirino Highway offering a direct route for motorists to and from Novaliches.

“The Metro Pacific Group actively contributes to driving infrastructure development across the Philippines, focusing on supporting nation-building through an extensive tollway network. The NLEX – C5 Northlink Segment 8.2 Section 1A will offer 24/7 access for all vehicle classes, facilitating smoother and efficient travel across the east and west routes of North Metro Manila,” said Metro Pacific Tollways Corporation (MPTC) President and COO, Arrey Perez.

“Alongside our dedicated team, contractor, and government partners, we are fully committed to accelerating the construction of this high-impact elevated expressway, with the target completion set on the first quarter of 2026,” he added.

The entire NLEX-C5 Northlink Project stretches 11.3km from Mindanao Ave. to C5/C.P. Garcia near Katipunan Avenue. The infrastructure will benefit motorists, especially the logistics sector as it will be a 24/7 alternative route for trucks. Aside from improving the movement of goods, services, and people it will also generate jobs during the construction and operation phase and create business opportunities.

NLEX Corporation is a subsidiary of the Metro Pacific Tollways Corporation (MPTC), the toll road arm of the Metro Pacific Investments Corporation (MPIC).
