Park Weongi, 61, Canadian  
Non-Executive Director

Park Weongi is a veteran technology leader with over three decades of experience in global IT and cloud infrastructure. After serving as CEO of NAVER Cloud and later as CEO of NAVER Cloud APAC, he now holds the position of Executive Advisor, where he provides strategic counsel and executive guidance to support NAVER Cloud's continued growth and innovation.

Park spearheaded the transformation of NAVER's IT infrastructure to meet the demands of a fast-evolving digital landscape. He established robust, efficient IT systems and oversaw the design of advanced data centers that could accommodate NAVER's rapidly expanding user base—all while embedding sustainability into the core of infrastructure development. His commitment to green technology earned NAVER a Platinum certification from LEED (Leadership in Energy and Environmental Design), a rare achievement in the data center industry.

As CEO of NAVER Cloud from 2014 to 2022, Park oversaw a period of remarkable growth, expanding the company's product portfolio from 22 to over 200 services across IaaS, PaaS, and SaaS.

From 2023 to 2025, as CEO of NAVER Cloud APAC, he led the company's entrance into 10 overseas markets, built strategic alliances in Southeast Asia, and helped position NAVER Cloud as a competitive player in the region's digital infrastructure landscape.

Prior to joining NAVER, Park built a solid international career with IBM, where he served as an executive overseeing global IT service delivery, and with TELUS Canada, where he gained valuable experience in North American telecom and enterprise services between 1989 and 2009.

Park Weongi holds a Master's Degree of Public Administration at Yonsei University.

Industry Expertise: Information Technology, IT Service Delivery, Network Infrastructure, Network Sustainability, Consulting and General Management, Public administration and policy
