9M 2025 Financial Highlights

DoubleDragon Corporation (the "Company" "DoubleDragon" or "DD") reports Consolidated Net Income of Php 2.55 Billion for the first nine months ending September 30, 2025, which is a +0.70% increase as compared to the same period the prior year. Total consolidated revenues up by +62.84% to P10.46 Billion.

The Company's Net Debt-to-Equity ratio remains very healthy at 0.84x, one of the lowest D/E ratios among Philippine listed companies.

DoubleDragon Corporation has reached 1.5 million GFA of completed recurring revenue asset portfolio from its string of hard assets spread out in prime locations in Luzon, Visayas and Mindanao. The Company also holds assets overseas through its subsidiary Hotel101 Global.

DoubleDragon is likewise actively building out CentralHub's industrial warehouse portfolio towards its goal to establish a P24.8 billion warehouse leasing portfolio and list the first industrial REIT in the Philippines. CentralHub is a joint-venture company of DoubleDragon Corporation and Jollibee Foods Corporation.

DoubleDragon Corporation is also one of the few companies in the Philippines with credit rating PRS Aaa (Triple A) from Philippine Rating Services Corporation, the highest rating tier by PhilRatings.

DoubleDragon's string of titled investment properties strategically planted in prime locations spread out in Luzon, Visayas, Mindanao and Overseas serves as its strong underlying solid foundation.

On top of its string of diversified hard assets portfolio in the Philippines, DoubleDragon happens to be one of the few companies in the Philippines that was able to organically develop a novel and unique business model and brand in Hotel101 that is highly portable and exportable to multiple continents. Moreover, DoubleDragon's Hotel101, on July 1, 2025, made history as the first Filipino-owned company to list on the US NASDAQ Stock Exchange which became Hotel101's initial early starting step and as a springboard towards its long-term goal to solidifying its fundamentals. Hotel101 has set its long-term vision to build out 1 million typical Hotel101 rooms in over 100 countries worldwide.

DoubleDragon in just about 10 years has completed over 1.5 million square meters of diversified asset portfolio consisting of a chain of provincial community malls in Luzon, Visayas and Mindanao, office buildings in Metro Manila, hotels in the Philippines and overseas, and warehouse complexes around the country.

DoubleDragon is one of the few companies that operates its modern community malls in the countryside, as far as Cotabato City, Koronadal City, Dipolog City in Zamboanga Del Norte and Isulan Sultan Kudarat that further stimulates the countryside local economy, but at the same time enables the positive economic growth to be felt by the real provincial countryside. DoubleDragon is one of the very few companies that has commercial investment as far as Basilan Sulu in the Bangsamoro Autonomous Region.

DoubleDragon's nationwide Philippine portfolio of titled hard assets footprint strategically located in Luzon, Visayas and Mindanao, is expected to fully mature by this year 2025.

DoubleDragon expects its Hotel101 subsidiary being an Asset-light business model to become one of the major homegrown brand and business model export to other countries that would generate a significant US Dollar inflow to the Philippine economy.

Hotel101 is also expected to further elevate the globally-renowned Filipino brand of hospitality to each of the country where Hotel101 eventually operates. Hotel101 Global is

set to complete its first ever Hotel101 project overseas located in Madrid, Spain. The Hotel101 Global Group is currently on the ramp up towards planting its Hotel101 developments towards its near-term goal to be in 25 countries in the next three years and towards its long-term goal of 1 million Hotel101 rooms in 100 countries globally.

DoubleDragon Corporation's principal shareholders are Injap Investments Inc led by Mang Inasal Founder Edgar Injap Sia II and Honeystar Holdings Corp led by Jollibee Founder Tony Tan Caktiong.

DoubleDragon's subsidiary Hotel101 Global listed in the U.S. NASDAQ Stock Exchange has a market capitalization of \$ 1.58 Billion (Php 93 Billion) as of 11.11.25.

To date, DoubleDragon is the first and only Filipino company that has a subsidiary listed in the U.S. NASDAQ Stock Exchange.
