About Hotel101 Global

Listed on Nasdaq (HBNB) with a market capitalization of approximately US\$1.9 billion as of November 27, 2025, Hotel101 is an asset-light, prop-tech hospitality platform pioneering a global standardized “condotel” business model. Hotel101 aims to disrupt the global hotel and hospitality sector through its unique tech-enabled business model that positions it to generate revenues twice: first from the advance sale of individual hotel units during the construction phase; and second, from long-term recurring revenue derived from day-to-day hotel operations.

Hotel101 and its affiliates have nine Hotel101-branded properties in the Philippines in various stages of operations and development, as well as three projects under development overseas in Hokkaido (Japan), Madrid (Spain), and Los Angeles (United States). In May 2025, Hotel101 signed an agreement with Saudi Arabia’s Horizon Group to, subject to additional contract, establish a joint venture for the development of up to 10 hotels in Saudi Arabia. Hotel101 aspires to operate 1 million rooms across 100 countries worldwide, with an initial 25 identified priority countries for the medium term. Hotel101 is a subsidiary of Philippine-listed DoubleDragon Corporation (PSE Ticker: DD).

DoubleDragon happens to be one of the very few companies that has not only positioned its diversified portfolio of hard assets spread out across the Philippines, but it also happens to be one of the very few companies that has organically developed a novel asset-light concept and highly unique business model in Hotel101 (HBnB) that is exportable to other continents globally. The global expansion of Hotel101 is expected to eventually become one of the major US Dollar inflow generators to the Philippine economy.

The DoubleDragon team is committed to put in the necessary hard work, entrepreneurial grit and perseverance towards this vision and eventually aims to make Hotel101 a truly global brand operating in various jurisdictions worldwide, and eventually bring a pinch of pride and honor to our fellow Filipino countrymen.

Very truly yours,
