**Item 5 (Legal Proceedings).**

This is to advise that Petron Corporation (the “Company”) received today from the Energy Regulatory Commission (“ERC”) an order dated December 26, 2025 imposing on the Company a penalty in the amount of P650,000.00 for the non-submission of SMS/text reports on the unplanned outage and the resumption of operations of its Refinery Solid Fuel-Fired Boiler Plant resulting from the 6.1 magnitude earthquake in Bataan on April 22, 2019.

ERC rules require a generating facility to report to the ERC through SMS/text within three (3) hours of any unplanned outage and resumption of operations of a power-generating facility. The inability of the Company to comply with the requirements of the ERC was due to the situation caused by the earthquake that required the Company to focus on implementing safety measures and protocols at the Petron Bataan Refinery. The Company will pay the above-described penalties.
