Ladies and Gentlemen:

We refer to the news article entitled “*Maynilad, K-Water offer P15 billion for New Clark City water service*” published by The Philippine Star on 6 February 2026.

We confirm that Maynilad, together with KWater, has submitted an unsolicited proposal to the Bases Conversion and Development Authority related to water and wastewater services for New Clark City.

At this stage, the proposal is still subject to the approval process in accordance with the Public-Private Partnership Code of the Philippines (Republic Act No. 11966).

We will make the appropriate disclosures should the process move to a more definitive stage.

Thank you.

Yours faithfully,

MAYNILAD WATER SERVICES, INC.
