### **Purpose of this Agreed-upon Procedures Report**

We have performed the procedures agreed with **Filinvest Development Corporation** (the “Company”) and enumerated below with respect to the Quarterly Progress Report for the period from January 1 to March 31, 2026 (“Subject Matter”). Our report is solely for the purpose of assisting the Company in complying with the requirements of the Philippine Stock Exchange, Inc. (“PSE”) relating to the disbursement of proceeds from the Company’s issuance of Series A Preferred Shares and Series B Preferred Shares conducted from July 21 to July 31, 2025, and this may not be suitable for another purpose.

### **Restriction on Use**

This agreed-upon procedures report (“AUP Report”) is intended solely for the information and use of the Company and the PSE and is not intended to be and should not be used by anyone else.

### **Responsibilities of the Company**

The Company has acknowledged that the agreed-upon procedures are appropriate for the purpose of the engagement.

The Company is responsible for the Subject Matter on which the agreed-upon procedures are performed. The sufficiency of these procedures is solely the responsibility of the Company.

### **Practitioner’s Responsibilities**

We have conducted the agreed-upon procedures engagement in accordance with the Philippine Standard on Related Services (PSRS) 4400 (Revised), *Agreed-Upon Procedures Engagements*. An agreed-upon procedures engagement involves us performing the procedures that have been agreed with the Company, and reporting the findings, which are the factual results of the agreed-upon procedures performed. We make no representation

regarding the appropriateness or the sufficiency of the agreed-upon procedures described below either for the purpose for which this AUP Report has been requested or for any other purpose.

This agreed-upon procedures engagement is not an assurance engagement. Accordingly, we do not express an opinion or an assurance conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported.

### **Professional Ethics and Quality Management**

In performing the Agreed-Up On Procedures engagement, we complied with the ethical requirements in the Code of Ethics for Professional Accountants in the Philippines (“Code of Ethics”). We are not required to be independent for the purpose of this engagement. We are the independent auditor of the Company and complied with the independence requirements of the Code of Ethics that apply in the context of the financial statement audit.

Our firm applies Philippine Standard on Quality Management 1, *Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements*, which requires us to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

### **Procedures and Findings**

We report our findings below based on the procedures agreed upon with the Company in the terms of engagement dated February 4, 2026 on the Subject Matter:

1. We obtained the Quarterly Progress Report on the disbursement of proceeds from the Company’s issuance of Series A Preferred Shares and Series B Preferred Shares for the period from January 1 to March 31, 2026 (the “Progress Report”) and checked the mathematical accuracy of the Progress Report. We noted no exceptions.
2. We were not able to perform the following agreed-upon procedures because the Progress Report indicated that there was no disbursement of proceeds from the Company’s issuance of Series A Preferred Shares and Series B Preferred Shares for the period from January 1 to March 31, 2026.
  - Obtain the list of disbursements for the period from January 1 to March 31, 2026 (the “Disbursement Schedule”) and check the mathematical accuracy of the Disbursement Schedule.
  - Compare the total amounts of the disbursements in the Progress Report to those in the Disbursement Schedule.
  - For disbursements in the Disbursement Schedule that are above ₱10 million (or an amount which will be agreed by the parties for each quarter), trace the amounts and date of the disbursements to the supporting documents such as progress billings,

invoices, statement of account, billing statement, check vouchers, official receipts, and bank statements (as applicable), and agree the amount and date to the details indicated in the Disbursement Schedule.

- Compare the total amounts and nature of disbursements in the Disbursement Schedule with the amounts in the schedule of planned use of proceeds from the Company's issuance of Series A Preferred Shares and Series B Preferred Shares as documented in the Prospectus.
3. We obtained the Progress Report on the Application of the Proceeds from the Preferred Shares Offering as at March 31, 2026 duly certified by the Treasurer and Chief Finance Officer of the Company (see the Exhibit) and checked its mathematical accuracy. We noted no exceptions.
  4. We obtained copies of the minutes of meetings of the Board of Directors and the Stockholders for the period from January 1 to March 31, 2026 and the Corporate Secretary's Certification to confirm that there were no resolutions, deliberations, or discussions recorded during the period by either the Board of Directors or the Stockholders concerning any proposed reallocations or changes in the schedule of the planned use of proceeds. We noted that there were no reallocations or changes in the schedule of planned use of proceeds from the issuance of Series A Preferred Shares and Series B Preferred Shares.

### **Explanatory Paragraph**

The Company is responsible for the source documents that are described in the specified procedures and related findings section. We were not engaged to perform, and we have not performed any procedures other than those previously listed. We have not performed procedures to test the accuracy or completeness of the information provided to us except as indicated in our procedures. Furthermore, we have not performed any procedures with respect to the preparation or verification of any of the source documents. We have no responsibility for the verification of any underlying information upon which we relied in forming our findings.

This AUP report relates only to the Quarterly Progress Report for the period from January 1 to March 31, 2026, as specified above and do not extend to the financial statements of the Company, taken as a whole.

We undertake no responsibility to update this AUP Report for events and circumstances occurring after the AUP Report is issued.
