ANNEX A

TRB greenlights toll collection for Segment 3B of the CAVITEX C5 Link

The Toll Regulatory Board (TRB) has authorized the toll collection for the final segment of the CAVITEX C5 Link, starting May 5, 2026. Since opening on March 30, 2026, Segment 3B has provided free passage to almost 9,000 motorists daily.

CAVITEX C5 Link Segment 3B connects Manila-Cavite Expressway (CAVITEX) to C5 Road in Taguig City, reducing travel time from the usual 1.5 hours to just 15 minutes.

Starting May 5, motorists using the CAVITEX C5 Link from Taguig to Sucat Road (Dr. A. Santos Avenue) or vice versa, will pay the following rates: P59 for Class 1, P117 for Class 2, and P176 for Class 3 (inclusive of Segment 3B rates).

For those coming from Taguig and going straight to Roxas Boulevard or Zapote, the following toll rates will apply: P97 for Class 1, P194 for Class 2, and P291 for Class 3 vehicles.

With the CAVITEX C5 Link now fully connected, it offers efficient access to NAIA and C5 via key interchanges at the R1 Expressway (Coastal Road), Sucat Road (Dr. A. Santos Avenue), and C.P. Garcia Avenue. The expressway also strengthens the logistics link between the Cavite industrial hubs and the commercial centers in the National Capital Region, supporting regional economic growth. It further serves as an alternative route, especially for heavy vehicles, helping ease congestion on major arterial roads across Cavite and the southern portion of Metro Manila.
