PRESS RELEASE**07 August 2026****PH1 World Developers booked sales more than double in 1st half of 2026**

Megawide Construction Corporation's (Megawide's or the Company's) property arm, PH1 World Developers Inc. (PH1), generated Php3.15 billion in booked sales in the first six months of 2026, more than double the Php1.38 billion recorded in the same period last year. One Lancaster Park, My Enso Lofts, and Lykke were the largest contributors, accounting for more than 63% of total sales for the period.

The strong first half performance also lifted unbooked revenues to Php11.0 billion as of end-June 2026. This shall be recognized as revenue in the coming periods and complement the revenue posted in 1st half of 2026 and the periods ahead.

"The strong take-up of our recently launched projects reinforces our view that end-user demand outside key business centers remain buoyant and resilient. As we roll-out our expanded 4PH pipeline – starting with our maiden offering Avesta Residences in Imus, Cavite – we are confident of sustaining an even stronger performance over the long-term," said Gigi Alcantara, President of PH1 World Developers, Inc.

PH1 recently topped off Tower 1 of the five-tower Avesta Residences development, which is slated for completion by October this year – approximately twelve months after it began construction last year. The method employs Megawide Construction's engineering expertise and innovative precast and construction solutions technology, which delivers with speed, consistency, and First-World quality.

Other expanded 4PH projects to be launched within the year are located in Caloocan and additional sites in Cavite, including Imus and Dasmariñas. These form part of PH1's initial portfolio of 25,000 expanded 4PH housing units across Luzon, which the company aims to deliver over the next two to three years.
