PRESS RELEASE

SM Prime, Tzu Chi Foundation Philippines partner to develop healthcare facility at MOA Complex

(From left) SM Prime Executive Vice President Cris Noel E. Torres, SM Prime President Jeffrey C. Lim, SM Prime Chairman of the Executive Committee Hans T. Sy, Tzu Chi Foundation Vice CEO Lin Pi-Yu, Tzu Chi Foundation Philippines CEO Henry Yuñez and Tzu Chi Foundation Board Trustee Denice Monica Sy.

(November 24, 2026, Pasay City, Philippines) SM Prime Holdings, Inc. (SM Prime) and Tzu Chi Foundation Philippines are partnering to develop a healthcare facility and tertiary hospital within the SM Mall of Asia (MOA) Complex in Pasay City. The hospital will be known as Tzu Chi Medical Center (TCMC).

Under the partnership, SM Prime will provide a 10,000-square-meter property along Seaside Boulevard, across from SMDC's Shore Residences, and extend technical assistance in the facility's design and construction logistics. Tzu Chi Foundation Philippines will lead the development, management and operation of the hospital.

TCMC will combine advanced medical technology with compassionate, patient-centered care. The hospital is expected to have a capacity of more than 400 beds and provide quality healthcare services to both paying and indigent patients.

Construction is expected to commence within 12 to 18 months, with completion targeted between 2030 and 2032.

“Healthcare is essential to building communities where people can thrive. Through this partnership with Tzu Chi Foundation Philippines, we are supporting the development of a facility that can serve the healthcare needs of more Filipinos. It also reflects our commitment to creating developments that go beyond business and commerce to contribute meaningfully to the well-being of the communities around them,” said Jeffrey C. Lim, President of SM Prime.

“Since Tzu Chi’s first medical mission in Baguio City in 1995, Dharma Master Cheng Yen has wished for a Tzu Chi hospital in the Philippines,” said Tzu Chi Foundation Philippines CEO Henry Yuñez. “With SM Prime’s generous contribution, that wish—shared by all Tzu Chi volunteers—to bring quality, compassionate healthcare to Filipinos is finally becoming a reality. Our deepest thanks to everyone at SM, our steadfast partner and longtime supporter of all our missions.”

Established in the Philippines in 1994, Tzu Chi Foundation Philippines conducts medical missions and healthcare programs across the country, providing free consultations, specialized medical services and other forms of assistance to communities with limited access to healthcare.

The foundation’s medical mission traces its roots to Taiwan, where it began with a free clinic to help address the interrelated challenges of illness and poverty. Its work subsequently expanded into a comprehensive healthcare network comprising eight hospitals, free clinics and home medical care services.

Through the Tzu Chi International Medical Association (TIMA), the foundation has also extended medical assistance to underserved communities in various countries, helping address gaps in access to essential healthcare services.

Founded in Taiwan by Buddhist nun Dharma Master Cheng Yen, Tzu Chi is one of the world’s largest Buddhist humanitarian organizations, with more than 10 million volunteers across 68 countries and relief operations extending to more than 139 countries. Aside from healthcare, its humanitarian work spans disaster relief, education, humanistic culture, bone marrow donor registration and community volunteerism.
